SUMMARY

Visual Communication Design (DKV) graduate and BNSP-certified Junior Graphic Designer with multi-disciplinary expertise in Motion Graphics, Video Editing, and UI/UX Design. Proficient in Adobe Creative Suite and Figma, supported by practical experience delivering freelance projects, national event media, and user-centered digital prototypes. Adept at blending creative visual storytelling with intuitive interface design to drive user engagement.

WORK EXPERIENCE

Freelance Motion Designer & Video Editor | Self-Employed

Jan 2025 – Present

- Designed and produced high-impact motion graphics and video advertisements for client websites and digital software products.
- Utilized Adobe After Effects, Premiere Pro, CapCut, and Figma to create visual assets, edit footage, and assemble animated content.
- Executed end-to-end video production from initial visual storyboarding to post-production motion design.

Freelance UI/UX Designer | Self-Employed

Jan 2023 – Present

- Developed end-to-end UI/UX designs and interactive prototypes using Figma for commercial clients and undergraduate research.
- Conducted user research, visual wireframing, and usability testing to craft intuitive web and mobile interfaces.
- Built cohesive design systems, typography guidelines, and interactive UI components.

Event Video Editor & Videographer | LO KREATIF National Competition

Aug 2023 – Nov 2024

- Served as core Video Editor, Videographer, and Photographer across two consecutive competition seasons (2023 & 2024).
- Produced official event bumpers, participant/judge intro motion graphics, and post-event recap videos.
- Managed live event photo and video documentation under tight deadlines for social media distribution and broadcasts.

EDUCATION

Bachelor of Visual Communication Design (S.Ds.) | UBHINUS University

2022 – 2026

- Specialization: Video Editing, Motion Graphics, and UI/UX Design.
- Achievements: Selected as a Finalist in a national video competition.

Vocational High School Diploma in Multimedia | SMK

2019 – 2022

- Completed 3-year multimedia program covering digital photography, graphic design, and video production basics.
